Future Business / Hopper Topics

1. Revisit Bylaws – consider deleting meeting time to leave it more flexible (currently listed as 3-5 pm the second Tuesday of each month.
2. Discuss requiring more info about how departments will assess course and learning outcomes, include syllabus and exam (as supplements, not in lieu of narrative description).
3. How best to communicate GERC's mission and role in undergrad curriculum to faculty, and how can we best help faculty in general education course and assessment development? Hold workshops? Need to get more faculty buy-in, and better communicate the larger picture of how this all fits in with accreditation, assessment, etc. Continually work to improve the communication.
