<b>Idaho State Univeristy (ISU) Required Courses</b>			
<b>Course</b>	<b>ISU Course Title (Prerequisites/Corequisites*)</b>	<b>Credits</b>	<b>Semester offered<sup>1</sup></b>
	NURS 3105: Professional Nursing	3	
	NURS 3330 or DHS 4426: Evidence Based Nursing Practice	3	
	NURS 4200 & 4200C: Population Health Nursing & Clinical	3&2	
	NURS 4180: Foundations of Informatics for Nurses	2	
	NURS 4220: Leadership & Management	3	
	NURS 4440 Professional Nursing Synthesis	2	
	*NURS 4400: Experiential Learning Equivalency	1-18	
	**NURS 4491: Independent Study	1-6	
	***Upper Division / ISU Residency Elective Credits	1-21	
	*NURS 4400: work with advisor and faculty advisor to create a preapproved plan		
	** NURS 4491 Independent Study: contract must be on file with Director of Undergraduate Nursing		
	*** ISU requires 36 upper division credits, with 30 of the previous 50 credits completed at ISU. See advisor for suggested elective course list		
	<b>TOTAL ISU Credits</b>	<b>37</b>	
	<b>TOTAL ISU + CEI Credits</b>	<b>121</b>	

\*Course may require other Prerequisites/Corequisites Courses

<sup>1</sup>F = Fall, S = Spring, Su = Summer

**For specific selection and sequencing of courses, students are strongly encouraged to meet with a CEI academic advisor and an ISU academic advisor**

# Degree Plan for a Bachelor of Science in Nursing

## Other Requirements:

The courses listed on the preceding pages fulfill the requirements of an associate degree at CEI. Completion confers the following benefits:

- 1) ISU waives the University application and admission fee.
- 2) ISU accepts completion of predetermined CEI courses for the ISU bachelor's degree. Students who transfer without predetermined courses must complete ISU's institution-specific education requirements.

## College of Eastern Idaho Program Requirements:

Students who are seeking an Associate of Applied Science in Registered Nursing (RN) must complete no fewer than 25% of their credit requirements through CEI. Students do not automatically have their degrees conferred, a graduation application must be submitted and fees paid. Once a review has been completed by the Registrar's Office showing completion of all graduation requirements, then will the student record be conferred. Students must earn a minimum grade of 'C' in all pre-requisites and required RN courses. In addition, a cumulative grade point average of 2.0 or higher is required for graduation.

## Idaho State University Requirements:

Students must complete 120 credits of coursework, of which at least 60 must be academic credits. Completion of an AA/AS/AAS degree from CEI satisfies ISU's general education requirements. Students must complete 36 credits of upper division coursework (3000 level and above), of which 15 must be earned at ISU. At least 30 credits in the major area of study must be resident credits (earned at ISU), or 30 of the last 50 credits applied to the degree must be ISU resident credit. Refer to the ISU catalog for limits on specialized credits such as credit by exam, physical activity, music participation, and experiential learning. Students must complete all major requirements with a minimum grade point average of 2.0 and have an overall ISU cumulative GPA of 2.0.

## ISU Program-Specific Notes:

NURS 4400 Experiential Learning Equivalency for BS Completion Students (all NURS 4400 must be pre-approved by faculty advisor with specific goals for completion of the experiential credit documented and on record as the student progresses in the program).

NURS 4491 Independent Study in Nursing (must have Independent Study contract pre-approved by instructor or faculty advisor for any NURS 4491 credit, and record of completion of contract goals documented by faculty advisor in student record). All students must be enrolled in the BS completion program through the School of Nursing in order to register for NURS prefix courses. Professional fees apply.

**For specific selection and sequencing of courses, students are strongly encouraged to meet with a CEI academic advisor and an ISU academic advisor**
