

# Spinal Cord Segment Model

## 0165-00

Denoyer-Geppert, International

1. Dorsal column, white matter
2. Lateral column, white matter
3. Ventral column white matter
4. Anterior white commissure, white matter
5. Dorsal gray horn, gray matter
6. Lateral gray horn, gray matter
7. Ventral gray horn, gray matter
8. Gray commissure
9. Central canal
10. Dorsal median sulcus
11. Dorsal intermediate sulcus
12. Dorsal lateral sulcus
13. Ventral lateral sulcus
14. Ventral median fissure
15. Ventral radicular laminae
16. Anterior spinal artery
17. Sulcal artery
18. Anterior spinal vein
19. Dorsal radicular laminae
20. Left posterolateral spinal vein
21. Left posterolateral spinal artery
22. Posterior spinal vein
23. Dorsal root
24. Spinal ganglion
25. Ventral root
26. Mixed spinal nerve
27. Dorsal ramus of spinal nerve
28. Ventral ramus of spinal nerve
29. Gray ramus communicans
30. White ramus communicans
