The Idaho State University Bachelor of Science in Dietetics is accredited by the Accreditation Council for Education in Nutrition and Dietetics (www.eatright.org/acend).

Upon graduation, students will earn their Didactic Program in Dietetics (DPD) verification statement. This statement is needed to apply for any accredited dietetic internship.

*All estimates are subject to change. Tuition estimates are subject to change by the Idaho State Board of Education. Transportation to clinical and community facilities is the responsibility of the student. Personal liability insurance is added to the tuition bill each semester.
