The ISU Financial Aid Office has received information from the National Student Loan Database System (NSLDS) regarding an “unusual enrollment history” during your post-secondary education. The following information must be submitted to our office to assist in the determination of your federal aid eligibility. Our office will then review the information you provide and may request additional documentation, if necessary.

**I. ENROLLMENT INFORMATION**

Please list all institutions (including ISU) attended during the academic periods that include 2021-2022, 2022-2023, 2023-2024 and 2024-2025. You will need to confirm that all official transcripts from previous schools have been received and processed by the ISU Admissions Office (208-282-2475). For each school listed, attach a separate explanation if you failed to earn any academic credit for a term at that specific school. Attach any additional supporting documentation (i.e., medical bills, physician letters, accident reports, etc.) that supports your reason for not earning any credits for a term. Please include your Student/ISU ID number at the top of each page of the attachments. **Your application for financial aid will not be considered until you submit the completed form and all required documentation.**
