

MSAT/PA Dual Pathway

Applicants must be admitted to both programs (MSAT and PA) separately. The applicant will use the normal application (CASPA for the PA; ATCAS for the MSAT + plus the graduate school application for both). In addition, a letter must be submitted to both programs declaring interest in the dual degree program. **Application and letter deadline is November 1st.**

Once an applicant has applied and is accepted for both programs, the PA entrance will be deferred 1 year; the first year of the program will be entirely MSAT content.

Deposits for BOTH programs would need to be made by the deadline for each program.

AT COURSE SEQUENCE

(Effective Summer 2020)

Summer I	Fall I	Spring I	Summer II	Fall II	Spring II
AT 6600: Foundations of AT (3)	AT 6661: Clinical Education in AT I (4)	AT 6662: Clinical Education in AT II (3)	AT 6602: Pathophysiology and General Medical Assessment (2)	AT 6663: Clinical Education in AT III (4)	AT 6665: Clinical Education in AT IV (3)
AT 6600L: Foundations of AT Lab (1)	AT 6606: Continuum of Care II: Knee, Hip, Pelvis, Lumbar Spine (5)	AT 6608: Continuum of Care III: Upper Extremities (5)	AT 5599: Pharmacology for AT (1)	AT 6602L: Pathophysiology and General Medical Assessment Lab (1)	AT 6614: Inter-professional Relationships and Trends in AT (3)
AT 6604: Continuum of Care I: Foot, Ankle, Lower Leg (3)	AT 6640: Research and Writing (3)	HSPP 5414: Athletic Performance Nutrition (3)		AT 6610: Continuum of Care IV: Head, Neck, Cervical and Thoracic Spine (5)	AT 6645: Organization and Administration of AT Programs (3)
AT 6612: Introduction to Therapeutic Modalities & Exercise (2)		AT 6651: Capstone Assessment (1)		AT 6651: Capstone Assessment (1)	AT 6651: Capstone Assessment (1)
9 credits	12 credits	12 credits	3 credits	11 credits	10 credits

*Highlighted courses will be accepted from PA program

Course Sequence

Summer Semester (Total 9 credits)

AT 6600	Foundations of Athletic Training	3 cr
AT 6600L	Foundations of Athletic Training Lab	1 cr
AT 6604	Continuum of Care I: Foot, Ankle, Lower Leg	3 cr
AT 6612	Introduction to Therapeutic Modalities & Exercise	2 cr

Fall Semester (Total 14 credits)

AT 6606	Continuum of Care II: Knee, Hip, Pelvis, Lumbar Spine	5 cr
AT 6610	Continuum of Care IV: Head, Neck, Cervical and Thoracic Spine	5 cr
AT 6661	Clinical Education in AT I	4 cr

Spring Semester (Total 17 credits)

AT 6608	Continuum of Care III: Upper Extremities	5 cr
AT 6614	Interprofessional Relationship and Trends in AT	3 cr
AT 6645	Organization and Administration of AT Programs	3 cr
AT 6662	Clinical Education in AT II	3 cr
HPSS 5514	Athletic Performance Nutrition	3 cr

Fall Semester (Total 30 credits)

BIOL 5529	Regional Anatomy & Histology & Lab	4 cr
BIOL 5563	Human Pathophysiology & Lab	4 cr
BIOL 5564	Lectures in Human Physiology	4 cr
PAS 6601	Intro to Physician Assistant	7 cr
PAS 6602	Evidence-based Medicine and Biostatistics	3 cr
PAS 6603	Clinical Assessment	6 cr
PAS 6604	Pharmacology	2 cr
SPAN 5510	Spanish for the Health Professions (Optional)	2 cr

Spring Semester (Total 31 credits)

PAS 6629	Allergy, Immunology, Head, Ear, Nose, Throat, Ophthalmology Module	4 cr
PAS 6631	Infectious Disease Module	2 cr
PAS 6632	Hematology/Oncology Module	2 cr
PAS 6633	Endocrinology Module	2 cr
PAS 6634	Renal Module	2 cr
PAS 6635	Pulmonary Module	3 cr
PAS 6636	Cardiology Module	4 cr
PAS 6637	Gastroenterology Module	4 cr
PAS 6640	Rheumatology Module	2 cr
PAS 6641	Orthopedics Module	2 cr
PAS 6642	Psychiatry Module	3 cr
PAS 6656	Alternative/Occupational Medicine Module	1 cr
SPAN 55XX	Spanish courses (Optional)	1-3 cr

Summer Semester Modules (Total 23 credits)

PAS 6639	Dermatology Module	2 cr
PAS 6643	Genitourinary Module	4 cr
PAS 6646	Neurology Module	2 cr
PAS 6650	Obstetrics/Perinatology Module	1 cr
PAS 6651	Pediatrics Module	2 cr
PAS 6652	Geriatrics Module	1 cr
PAS 6653	Surgery Module	2 cr
PAS 6654	Emergency Medicine Module	8 cr
PAS 6657	Comprehensive Evaluation	1 cr
SPAN 55XX	Spanish courses (Optional)	1-3 cr

Clinical Year Courses

PA Clinical Year Course List

Fall Semester	Spring Semester	Summer Semester
PAS 6661 Clinical Rotation I 4 cr	PAS 6664 Clinical Rotation IV 4 c	PAS 6667 Clinical Rotation VII 4 cr
PAS 6662 Clinical Rotation II 4 cr	PAS 6665 Clinical Rotation V 4 cr	PAS 6668 Clinical Rotation VIII 4 cr
PAS 6663 Clinical Rotation III 4 c	PAS 6666 Clinical Rotation VI 4 c	PAS 6673 Capstone Assessment III 1 cr
PAS 6671 Capstone Assessment I 2 cr	PAS 6672 Capstone Assessment II 1 c	

Required PA clinical rotations are: Outpatient Medicine, Internal Medicine, Pediatrics, Women’s Health, Emergency Medicine, General Surgery, Psychiatry, and an Elective*

****Elective rotation must be in orthopedics with a PA/AT, or a physician***
