<b>Butterly Ultrasound (shared use) (covered by the program professional fee)</b>	<b>n/a</b>
<b>Books estimated</b>	<b>\$1,000</b>
<b>Housing and Travel - This will be the largest misc. expense which will vary for each nurse anesthesia resident. Please take into consideration these expenses when considering this program. There is a housing allocation taken out of the professional fees but this can only be expected to subsidize the total cost you can expect to pay for housing and travel to each of the various clinical sites throughout the region.</b>	<b>Total cost will vary</b>
<b>Total approximate cost (does not include housing travel, health insurance etc.)</b>	<b>\$154,827</b>

**\*If out-of-state students do not apply for and are approved for in-state tuition for years 2 and 3 of the program, they will be required to continue to pay the out-of-state tuition rate. It is the students responsibility to make sure they apply for in-state tuition as soon as they are eligible (following one year of in-state residency).**
