

Weekly Update

April 29, 2024

Good Luck on Finals and Congrats!

Congratulations on a successful year! We wish you the best on your finals and your next steps in your journey! Also a huge shoutout to our graduates, thank you so much for your contributions to the UHP. We can't wait to see what you do next!

Student Spotlight - Sarah Faulk

The Department of Energy – Nuclear Energy mission is to advance nuclear energy science and technology to meet United States energy, environmental, and economic needs. The University Nuclear Leadership Program scholarship helps provide financial support for nuclear science and engineering undergraduate students. UNLP is not only investing in the education of individuals but also in the future United States nuclear energy stability.

This year the DOE offered scholarships to students who are pursuing study in science and engineering disciplines related to nuclear energy such as nuclear engineering, mechanical engineering, electrical engineering, chemistry, health physics, nuclear materials science, radiochemistry, applied nuclear physics, nuclear policy, radiation protection technology, nuclear power technology, nuclear maintenance technology, nuclear engineering technology, computer science, cybersecurity, and nuclear safety. Congratulations, Sarah on snagging one of these amazing scholarships!

TEDxISU - Student Speakers Needed

TEDx is coming to ISU on November 2nd. Honor Student, Ella Yu, is on the organizing committee for this event. They are currently accepting student speaker proposals. Please reach out to Ella directly for more information about speaking at louellayu@isu.edu. For all the updates going on with TEDxISU, please follow the Instagram @tedxisu for all the posts and information over the summer break!

Congrats to the New Club Leadership!

President: Jaden Palmer

Vice President: Shayla Tran

Secretary: Chloe Roberts

Historian: Amber Olin

**Treasurer:
Ethan Freeburne**

Graduate School Advising

This summer, the University Honors Program staff would like to provide specialized application support to students who are considering applying to graduate or professional schools in any field during the 2024 application cycle. Current Honors students and alumni are eligible to participate at no cost!

Through five hour-long advising meetings in the summer of 2024, Conner will work with up to 12 students to maximize their success navigating the graduate school application process. For students who are interested in participating in the cohort, please apply using the QR code listed on the flyer attached.

Please reach out to Conner Suddick (connersuddick@isu.edu) if you have any questions!
