Summer 2023 Programs – Admissions now open

Admissions for all 2023 programs are now publicly open.

Early access applications for our flagship programs – the 8-week, cohort-based, summer-only Global Accelerator Programs held in London and New York – were the highest in our 12-year history.

Given this, and three or so years of pent-up student interest, we expect all Summer 2023 programs to fill shortly.

Interested students should apply at their earliest opportunity via:

2023 CI Student Aid Fund – Secure awards now

Our in-house student aid fund provides financial assistance (of up to \$2013 USD) to all participating students.

Students may calculate and secure their **student aid award** before submitting a CI program application via:

ICCU CPI Opportunity

Idaho Central Credit Union (ICCU) is looking to hire an Operations Intern! Operations is focused on accurately and efficiently handling day-to-day work while prioritizing member service. This is a valuable experience to gain exposure in a professional setting while broadening financial institution knowledge. You would be expected to start work in January, or earlier.

Idaho Central Credit Union is a state-chartered credit union in the western United States, headquartered in Chubbuck, Idaho, adjacent to Pocatello. The pay is \$17/hour and has a great culture. In fact, on my second day of work, I was given a green paddleboard!
